

INDUSTRIAL & MANUFACTURING

**NATURAL, NON-TOXIC CLEANERS
THAT DRAMATICALLY OUTPERFORM
PETROCHEMICALS**

AFFORDABLE

POWERFUL

NON-TOXIC

INTRODUCING ORIGENZ ALL-DUTY INDUSTRIAL CLEANER 203

Origenz™ is an unprecedented new, natural technology that unleashes the intrinsic power of nature to clean industrial, commercial, and government facilities at levels previously achieved only with highly toxic, synthetic and even poisonous chemicals.

Origenz-based products exhibit superior, even dramatic results, easily outperforming green- and chemical-based cleaners alike.

Lower Costs

Origenz unleashes a previously unknown level of efficacy from natural ingredients to deliver an unprecedented new level of clean, replacing virtually all toxic cleaners, and reducing costs by up to 20% or more.

Increase Output

The powerful cleaning technology of Origenz reduces time spent on each job—allowing more work to get done, increasing your bottom line and lowering overall operating costs.

Reduce Utilities

Natural, non-toxic Origenz formulas can reduce utility charges by significantly cutting waste-water costs. Depending on the size of your facilities, the savings can add up to thousands of dollars or more per month.

Eliminate Toxins

Using toxic chemicals to clean on a regular basis can greatly increase risk on the job and result in medical claims. Safety equipment, specialized training, and workers compensation claims can all be reduced by switching to the non-toxic technology of Origenz.

CHANGE YOUR ENTIRE OPERATION

Origenz™ is the first non-toxic, natural cleaning system capable of meeting the needs of your entire operation.

From the front door to your effluent output, Origenz offers natural, green formulations that are powerful enough to handle your toughest cleaning needs.

Origenz just cleans better.

The powerful, natural Origenz formulas actually reduce the amount of product needed to clean the same size area as synthetic, chemical-based cleaners. Less product means increased efficiency and lower shipping costs.

Protecting your Environment

Protecting your Employees

Protecting your Equipment

INDUSTRIAL & MANUFACTURING

Designed for the entire ecosystem of your operation.

CHANGE YOUR ENTIRE OPERATION

Origenz cleans without caustic chemicals or abrasive additives. Origenz is powerful, breaking down greases and proteins without caustic acids, leaving surfaces clean with no residue.

Facility Maintenance

Safer, more powerful and non-hazardous solutions for most surfaces.

From floor to ceiling, interior and exterior, Origenz formulas can be used in conjunction with water reduction systems to save on both the amount of chemicals released into the environment and the amount of gray water produced by your facilities.

Equipment

Protect your investments with non-corrosive Origenz All-Duty Industrial Cleaner 203.

Whether cleaning machines and equipment on your plant floor or heavy duty vehicles in a wash area, Origenz outperforms your current solvents, while protecting both your equipment and your employees. Non-toxic, non-caustic, fume-free Origenz All-Duty Industrial Cleaner 203 leaves surfaces and paint untouched.

Parts & Products

Deliver your finished goods perfectly clean, residue and crystal-free.

Parts cleaning is essential to your process as a prelude to surface finishing, protecting sensitive components, and for final product cleanliness. Since Origenz is not a petroleum-based surfactant, rinsing time is minimal, reducing water needs, leaving parts astonishingly clean and residue-free.

Designed for the entire ecosystem of your operation.

CHANGE YOUR ENTIRE OPERATION

The Origenz non-toxic formula protects your employees, and drastically reduces safety concerns by eliminating fumes, burns, rashes, and allergic reactions.

Janitorial

Finally, green products that powerfully clean offices, restrooms, lunchrooms and more.

The Origenz janitorial line delivers noticeably improved results over chemical-based cleaners, as its natural formula quickly cleans and deodorizes surfaces and fabrics by penetrating soil, grease, and heavy organic material in seconds. Your EH&S Officer can be confident that employees will be safer and the effluent stream will be protected.

Employee Safety

Create a safer work environment for your workforce.

Using toxic chemicals to clean greatly increases risk on the job. Create a safer work environment by switching to Origenz throughout your facility. Increased indoor air quality reduces respiratory risk and increases productivity. Safety equipment, specialized training, and workers' compensation claims can all be reduced by switching to non-toxic Origenz.

Waste Water Stream

Dramatically improve your effluent output to local waste water.

Traditional chemical cleaners use strong acids, caustic agents, poisons and contaminants. As you know, combining these throughout your operation can make waste water compliance nearly impossible. Origenz All-Duty Industrial Cleaner 203 is non-toxic, non-caustic, non-corrosive, with no intentionally added VOAs, or VOCs.

INDUSTRIAL & MANUFACTURING

Designed for the entire ecosystem of your operation.

CHANGE YOUR ENTIRE OPERATION

Origenz dramatically reduces safety concerns and is formulated to minimize utility costs, labor time, and chemical costs, which often reduces overall costs by 20% or more.

Packaging & Box Operations

Improve packaging and boxing by reducing dust from your process.

Cardboard and wood used in your box operations are often detrimental to your product and the work place. With Origenz All-Duty Industrial Cleaner 203, you can now keep these areas, clean and dust free, assured your finished goods will never be exposed to caustic contaminants.

Warehousing & Storage

Ensure your products ship from a clean, non-toxic facility.

Origenz ensures that your products and boxes ship from a clean, green facility, improving your environmental impact, and allowing you to maintain immaculate warehouses and storage facilities.

Shipping & Transportation

Your shipping vehicles carry your brand every day.

Origenz powerfully and more safely keeps your fleet and your brand looking great. Traditional vehicle cleaning formulas are toxic, corrosive, and destroy surfaces. Natural Origenz cleans better, protects your vehicles, and requires less water.

INDUSTRIAL & MANUFACTURING

CERTIFIED NON-TOXIC CLEANERS

Origenz All-Duty Industrial Cleaner 203 has been proven one of the greenest products available in the U.S.

Certified Performance

- A green product that works: Evaluated for effective performance

Certified Production

- Protects human health: Product is non-toxic to humans, not formulated with carcinogens, and has minimal VOCs
- Protects environmental health: Product is biodegradable, and non-toxic to the environment

Certified Packaging

- Reduces waste: Packaging is recycled, recyclable, or significantly minimized

Origenz All-Duty Industrial Cleaner 203 is available in one-gallon bottles, 15-gallon pails, 15- and 55-gallon drums, 275-gallon totes and even tanker delivery.

TECHNICAL DETAILS

ORIGENZ ALL-DUTY INDUSTRIAL CLEANER 203

	Concentrate	Ready-to-Use
Physical State	Viscous liquid	Water-like liquid
Appearance	Clear to Amber	Clear to Amber
Odor	None to Mild	None to Mild
pH	10.7-10.9	7.6-8.4
Melting Point / Freezing Point	< 5°C (41°F)	< 0°C (32°F)
Boiling Point	> 112°C (233.6°F)	> 100°C (212°F)
Flash Point	> 220°C (428°F)	> 220°C (428°F)
Flammability (solid, gas)	Non-Flammable	Non-Flammable
Solubility	100%	100%
Density	1.16 g/mL	1.16 g/mL

HAZARDOUS IDENTIFICATION

Inhalation	Not a likely route of exposure. Remove to fresh air if irritation occurs. If symptoms develop, obtain medical attention.
Eyes	This product may cause irritation to the eyes after direct contact with concentrate.
Skin	Exposure to skin normally does not cause irritation or redness. No toxicity associated with the product being absorbed through skin.
Ingestion	No toxicity associated with ingestion. Ingesting large volumes may cause minor gastrointestinal distress due to emulsification of grease and oil in the digestive tract. Drink water to assist in digestion if swallowed.
